- 1. Interpretation**
 - The definitions and rules of interpretation in this condition apply in these conditions.
 - "Buyer"** the person, firm or company who purchases the Goods from Prima Tooling;
 - "Prima Tooling"** Prima Tooling the registered office of which is at 4 & 6 Tallon Road, Hutton Industrial Estate, Brentwood, Essex, CM13 1TJ;

 - "Delivery Point"** the place where delivery of the Goods is to take place under condition 4;
 - "Goods"** any goods agreed in the Contract to be supplied to the Buyer by Prima Tooling (including any part or parts of them);
 - "Intellectual Property"** any copyrights, letters, patents, know how, inventions, utility models, registered and unregistered designs, trade and service marks, trade names, logos and other distinctive rights in the nature of copyrights and all other similar rights in the Goods and (where applicable) the Services; and
 - any services agreed in the Contract to be supplied to the Buyer by Prima Tooling.
 - A reference to a particular law is a reference to it as it is in force for the time being taking account of any amendment, extension, application or re-enactment and includes any subordinate legislation for the time being in force made under it.
 - Words in the singular include the plural and in the plural include the singular.
 - A reference to one gender includes a reference to the other gender.
 - Condition headings do not affect the interpretation of these conditions.
- 2. Application of terms**
 - Subject to any variation under condition 2.3 the Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).
 - No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document shall form part of the Contract simply as a result of such document being referred to in the Contract.
 - These conditions apply to all Prima Tooling's sales and any variation to these conditions and any representations about the Goods or the Services shall have no effect unless expressly agreed in writing and signed by a partner of Prima Tooling. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of Prima Tooling which is not set out in the Contract. Nothing in this condition shall exclude or limit Prima Tooling's liability for fraudulent misrepresentation.
 - Each order or acceptance of a quotation for Goods or Services by the Buyer from Prima Tooling shall be deemed to be an offer by the Buyer to buy Goods and/or Services subject to these conditions. The Buyer shall ensure that the minimum value of its order is not less than the sum set out in clause 7.2.
 - No order placed by the Buyer shall be deemed to be accepted by Prima Tooling until a written acknowledgement of order is issued by Prima Tooling or (if earlier) Prima Tooling delivers the Goods to the Buyer or provides the Services to the Buyer.

 - All samples, drawings, descriptive matter, specifications and advertising issued by Prima Tooling and any descriptions or illustrations contained in Prima Tooling's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract and this is not a sale by sample.
 - If the Goods are to be manufactured or as part of the Services any process is to be applied to the Goods by Prima Tooling; or if the Goods or Services are to be provided in accordance with a specification or any other document, data information or materials submitted by the Buyer, the Buyer shall indemnify Prima Tooling against any claims or damages or incurred by Prima Tooling in connection with and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods or the performance of the Services (even if caused by Prima Tooling's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds 180 days.

 - If Prima Tooling delivers to the Buyer a quantity of Goods (being bespoke, non-stock items) of up to 10% more or less than the quantity accepted by Prima Tooling, the Buyer shall not be entitled to object to or reject the Goods or any of them by reason of the surplus or shortfall and shall pay for such goods at the pro rata Contract rate.
 - Prima Tooling may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract.
 - Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.
- 5. Non-delivery**
 - The quantity of any consignment of Goods as recorded by Prima Tooling on dispatch from Prima Tooling's place of business shall be conclusive evidence of the quantity delivered by the Buyer to the Buyer, unless the Buyer can produce conclusive evidence proving the contrary.
 - Prima Tooling shall not be liable for any non-delivery of Goods (even if caused by Prima Tooling's negligence) unless the Buyer gives written notice to Prima Tooling of the non-delivery within 3 days of the date when the Goods would in the ordinary course of events have been received.

- 6. Risk/title**
 - Risk of damage to or loss of the Goods shall pass to the Buyer:
 - in the case of Goods to be delivered at Prima Tooling's premises, at the time when Prima Tooling notifies the Buyer that the Goods are available for collection; or
 - in the case of Goods to be delivered otherwise than at Prima Tooling's premises, at the time of delivery or, if the Buyer wrongfully fails to take delivery of the Goods, the time when Prima Tooling has tendered delivery of the Goods.
 - in respect of deliveries made in accordance with clause 6.1.0 above and notwithstanding any other provision contained in these Conditions, a transportation insurance policy shall be taken out at the Buyer's written request and at the Buyer's expense.
 - Ownership of the Goods shall not pass to the Buyer until Prima Tooling has received in full (in cash or cleared funds) all sums due to it in respect of:
 - the Goods; and
 - all other sums which are or which become due to Prima Tooling from the Buyer on any account.
 - Until ownership of the Goods has passed to the Buyer:
 - hold the Goods on a fiduciary basis as Prima Tooling's bailee;
 - store each consignment of the Goods (at no cost to Prima Tooling) separately from all other goods purchased from Prima Tooling and those of the Buyer or any third party in such a way that they remain readily identifiable as Prima Tooling's property;
 - not remove, destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and
 - maintain the Goods in satisfactory condition and keep them insured on Prima Tooling's behalf for their full price against all risks to the reasonable satisfaction of Prima Tooling. On request the Buyer shall produce the policy of insurance to Prima Tooling.
 - The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:
 - any sale shall be effected in the ordinary course of the Buyer's business at full market value; and
 - any such sale shall be a sale of Prima Tooling's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.
 - The Buyer's right to possession of the Goods shall terminate immediately if:
 - the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors, or (being a body corporate) convenes a meeting of creditors (whether formal or informal), or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative receiver appointed of its undertaking or any part thereof, or documents are filed with the court for the appointment of an administrator of the Buyer or notice of intention to appoint an administrator is given by the Buyer or its directors or by a qualifying floating charge holder (as defined in paragraph 14 of Schedule B1 to the Insolvency Act 1986), or a resolution is passed or a petition presented to any court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or
 - the Buyer suffers or incurs any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to observe or perform any of his/its obligations under the Contract or any other contract between Prima Tooling and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or
 - the Buyer encumbers or in any way charges any of the Goods.
 - Prima Tooling shall be entitled to recover payment for the Goods or the Services notwithstanding that ownership of any of the Goods has not passed from Prima Tooling.
 - The Buyer grants Prima Tooling, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.
 - Where Prima Tooling is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by Prima Tooling to the Buyer in the order in which they were invoiced to the Buyer.
- 7. Price**
 - Unless otherwise agreed by Prima Tooling in writing, the price for the Goods shall be the price set out in Prima Tooling's price list published on the date of delivery or deemed delivery. The price for the Services shall be in accordance with the quotation provided by Prima Tooling to the Buyer in accordance with clause 3.1.
 - The minimum value of the Buyer's order shall be not less than £20.00.
 - The price for the Goods shall be the price for the Goods plus all costs or charges in relation to packaging, loading, unloading, carriage and insurance, all of which amounts the Buyer shall pay in addition when it is due to pay for the Goods.
 - In the event that the Buyer's order is to be delivered to the Buyer then the Buyer shall pay for the costs of carriage notified to the Buyer by Prima Tooling from time to time.
 - Prima Tooling reserves the right, by giving notice to the Buyer at any time before the delivery to increase the price and/or the ancillary costs to reflect any increase in the cost to Prima Tooling which is due to any factor beyond the control of Prima Tooling (such as, without limitation, any foreign exchange fluctuation, currency fluctuation, alteration of rates, levies or duties, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods or change to the required Services which is requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give Prima Tooling adequate information or instructions.
- 8. Payment**
 - Subject to condition 8.4, payment of the price for the Goods or the Services is (unless otherwise agreed in writing by the parties) due in pounds sterling on the last working day of the month following the date by which the Goods are delivered or deemed to be delivered. Prima Tooling reserves the right to request payment for the Goods and/or Services in advance.

 - If the Buyer fails to pay Prima Tooling any sum due pursuant to the Contract, the Buyer shall be liable to pay interest to Prima Tooling on such sum from the due date for payment at the annual rate of 8% above the base lending rate from time to time of HSBC Bank plc, accruing on a daily basis until payment is made, whether before or after any judgment. Prima Tooling reserves the right to claim interest under the Late Payment of Commercial Debts (Interest) Act 1998.

 - Prima Tooling shall be under no liability in respect of any defect in the Goods or Services arising from any drawing, design or specification supplied by the Buyer;
 - Prima Tooling shall be under no liability under the above warranty (or any other warranty, condition or guarantee) if the Price and all ancillary costs have not been paid by the due date for payment.

 - Prima Tooling shall not be liable for a breach of either of the warranties in condition 9.2 if:

 - the Buyer alters or repairs such Goods without the written consent of Prima Tooling.
 - Subject to condition 9.5, if any of the Goods do not conform with either of the warranties in condition 9.2 Prima Tooling shall at its option repair or replace the Goods (or the defective part) or refund the price of such Goods at the pro rata Contract rate provided that, if Prima Tooling so requests, the Buyer shall, at Prima Tooling's expense, return the Goods or the part of such Goods which is defective to Prima Tooling.
